To whom it may concern,

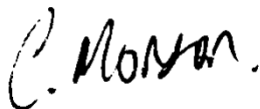

I can confirm that Aneta Milanowska was employed by Middle Way Ltd during the summer of 2018 as a marketing assistant. During this time Aneta assisted our start-up soft drinks company with branding-related activities, promotional material and a strategy for social media and public engagements.

Aneta worked well within the team and showed enthusiasm towards all aspects of her work. She always took into consideration our position as a new business before providing recommendations to us. Aneta was a responsible member of staff and was able to work on her own initiative.

I would recommend Aneta for any creative role in the future.

If you require further information do not hesitate to contact me.

Yours faithfully,
